EFFORTS TO ENCOURAGE FINAL YEAR STUDENTS TO APPEAR FOR THE GATE EXAMINATION

At **Don Bosco College (Co-Ed)**, Yelagiri Hills, consistent efforts are taken to motivate and guide final year students to appear for the Graduate Aptitude Test in Engineering (GATE). The institution creates awareness about the importance of GATE for higher studies, research opportunities, and career prospects in public sector undertakings (PSUs) through orientation programmes, faculty mentoring, and career guidance sessions. Faculty members encourage eligible students to plan early, understand the examination pattern and syllabus, and adopt systematic preparation strategies. Students are also guided to access quality study materials, online resources, and previous years' question papers. By fostering a culture of academic excellence and competitive exam preparedness, the institution supports students in aspiring for higher education and professional growth through national-level examinations like GATE.
