CURRICULUM FEEDBACK

2022-2023

ACTION TAKEN REPORT

Program: M.Sc., Computer Science

1. A proposal was drafted to the university based on the stakeholders suggestions to enhance the curriculum to add new courses like R Programming, Blockchain Technology, and Data Science with hands-on training, while retaining courses like C# and Computer Organization, to align the syllabus with the current industry standards.
2. Under the guidance of faculty members, students have undertaken innovative projects in the field of Internet of Things(IOT), and 3 students have completed their Major project in the reputed IT companies.
3. Internship opportunities and scholarships provided to the students paved the way for the evolution of the admissions in the AY 2023-24.
4. Invited industry professionals, subject experts and conducted workshops, webinars and seminars on emerging trends in collaboration with ACM chapter.
5. Organized PG colloquium 2023 by ACM chapter in collaboration with Malaysian University on 5th Oct 2023.
6. The HoD ensured that the timely feedback on the student's performance was given to each individual after every CIE Tests by issuing and reviewing answer sheets. The marks are recorded in Higrade + and published. And the same were filed in the Pdesk office with student's acknowledgement.
7. Incorporated communication labs into the regular class timetable for postgraduate students to develop their communicative skills effectively. (Jul 2023)
8. Established a WhatsApp group exclusively for department alumni, facilitating the sharing of job fair opportunities to aid in placement endeavors, fostering alumni collaboration in career advancement.

Program: B.Sc., Computer Science

1. A proposal was drafted to the university based on the stakeholders suggestions to enhance the curriculum.
2. To ensure students receive timely feedback on their performance, we have instituted a process where individual answer sheets are issued and reviewed after every Continuous Internal Evaluation (CIE) test. Marks are recorded in Higrade+ and published, with copies filed in the Pdesk office, along with student acknowledgements.
3. Showcased career success stories of alumni in order to inspire and motivate current students during Association hours and through invited talks.
4. As per the curriculum the final year students had done 15 days of internship in various IT companies in order to complete their individual Project during the month of Nov-Dec 2023 which enabled them to get Industrial exposure.
5. Equal opportunities were provided to all the students to take part in the Daily Assembly.
6. All the students were encouraged to participate in intercollegiate IT fest conducted by various colleges. Our students have excelled, winning 4 Overall Championship trophies and 1 Runner-up trophy, along with other awards, cash prizes, and laurels, which are duly recorded in Higrade+.
7. Invited industry professionals and subject experts and conducted workshops, webinars and seminars on emerging trends in collaboration with ACM chapter. A student from 3CS presented a paper titled "ChatGPT vs Google Bard" in International Joint Webinar.
8. Introduced IOT based project at the department level to encourage the students to develop the technical skills and soft skills under the guidance of Dept Faculty members. Two of our students took part in International Conference on Sustainable & Innovative Solutions in Cross Disciplinary Research (ICSISCDR@2024) and presented a Paper titled " SMART AIR COOLER with Arduino Setup booster" along with the IOT product in Mount Carmel College, Autonomous, Bengaluru.
9. Implemented communicative lab sessions for final year students in a regular timetable to enrich the communicative skills among the students. (June 2023)
10. Regular follow ups of scholarships through class teachers and mentors were done to ensure that the students avail deserving scholarships (Sep 2023)
11. Established a WhatsApp group exclusively for department alumni, facilitating the sharing of job fair opportunities to aid in placement endeavors, fostering alumni collaboration in career advancement.

Program: B.Com (Computer Applications)

1. As proposed, The Head of the Department diligently monitored syllabus coverage for all B.Com (CA) courses before every Continuous Internal Evaluation (CIE) Test and Model Examination. This ensured that students were adequately prepared and aligned with the curriculum requirements.
2. Academic mentors actively assessed students' performance in PE/VE Courses, internships, and institutional events during regular student meetings. This personalized approach facilitated holistic development and academic support for students.
3. E-Commerce and Its Applications syllabus was not updated, this issue was brought to the notice of the university via Email and post.
4. Emphasis was placed on ensuring every student's participation in departmental association and club activities. This initiative aimed to foster a sense of belonging, collaboration, and confidence among students, enriching their overall academic experience.
5. Strict enforcement of the use of campus language was implemented to enhance students' communication skills in a business environment.

Program: Business Administration

The BBA department is pleased to report the successful implementation of the suggested actions outlined in the curriculum feedback. The following accomplishments have been achieved:

1. The completion of the syllabus has been consistently addressed as the primary agenda in every weekly department meeting and progress is meticulously recorded in the minutes to ensure transparency and accountability.
2. The youth club activities have successfully planned and executed on 22 Aug, 2023 Rally, 19 Sept, 2023 Media Awareness programme, 20 Oct Drawing Competition.
3. Student exchange programs with Sacred Heart College, Tirupattur were conducted on 22 Oct, 2023 and Jain College on 19 Aug, 2023.
4. The department has established meaningful partnerships with Veranda Race (Coaching Center for competitive examination) through the formulation of Memorandums of Understanding (MOUs).
5. Successful sessions connecting final year students with accomplished alumni have taken place on 26 January, 2024.
6. Faculty consistently provides weekly updates during department assemblies on career services, aligning with industry feedback.
7. Designated department association hours have successfully fostered leadership and organizational skills on 22 Aug, 2023 and 20 Sep 2023 through hands-on involvement in team building.
8. Industrial visit for 3 years was organized on 29, 30 Oct, 2023 providing students with practical skills and hands-on experience.
9. Course-wise assessments with final year students have been conducted at the end of every semester, ensuring the relevance of the syllabus to meet industry demands and technological advancements.
10. Internship programs have been strengthened to provide students with practical exposure to real-world scenarios, ensuring they are job-ready upon graduation.

Program: B.A. English

1. The Head of Department ensured the distribution of answer sheets in weekly department meetings after Continuous Internal Evaluation (CIE) Tests. It is brought to the regular practice that the score sheet downloaded from the portal should be verified by the Head of the department and should be submitted to Pdesk within the given time.
2. A spreadsheet is created and maintained to document all the opportunities provided to the students. Each student is ensured to provide with opportunity to participate in a minimum of three activities annually. Respective class-teachers have been assigned to manage and update this record regularly.
3. Remedial classes for slow learners have been conducted after every Cycle test to address academic challenges promptly.
4. Student participation in clubs such as the Book Club, Movie Club, and Magazine Club has been actively encouraged. Various activities including wreath making competitions, poetry enacting and Lit Pageants have been organized by these clubs throughout the year during association hours.
5. A Weekly Communicative English Lab has been re-implemented for all classes to enhance students' communicative skills consistently. The Attendance is maintained in the Higrade Portal.
