INTRODUCTION AND WELCOME ADDRESS

A very warm and graceful good morning to all of you.

It is with immense joy and a deep sense of gratitude that I present the Principal's Report on the 24th college Day of Don Bosco College (Co-Ed), Yelagiri Hills.

We are honoured to have Mr. U. Sagayam as our Chief Guest today. U. Sagayam is a well-known and highly respected Indian Administrative Service (IAS) officer from Tamil Nadu, admired for his integrity, transparency, and commitment to public service.

Mr. U. Sagayam, an IAS officer of Tamil Nadu Cadre remained as an embodiment of honesty, conviction and courage in the Service until the very last. Throughout his career, he proved to be an uncompromising champion of the poor, a relentless anti-corruption crusader and a determined protector of natural resources. He was hailed as People's Collector.

His courageous action of closing a giant soft drink MNC and banning the sale of its products on the ground of health hazard, his tough action to control illicit sand mining in River Palar resulted in his physical assault by the sand mafia, his resolute action to regain government lands worth many thousand crores in Chennai, his determination in accelerating the closure of intense bauxite mining in Kolli Hills in Namakkal district affecting both tribal and environmental interest in the longer run by a powerful corporate house, his effective action to contain a blatant display of money and muscle power by formidable political parties and ensure free and fair poll in Madurai district when he was specifically picked up and posted by

Election Commission of India as District Collector, his intense raids in illegal granite mines and his reporting of loss of Rs. 16, 000 crores to the Govt. resulted in his instant transfer, his subsequent probe and reporting after 3 years turning out to be a mega granite scam in the country when he was appointed as Legal Commissioner by Madras High Court and endorsed by Supreme Court of India, converting loss-making Co-optex into a profitable trading entity and his reporting against his Minister when she supported ruling party municipal chairman who criminally assaulted the staff of Co-optex ended in his another transfer forthwith landing him in a grossly insignificant assignment for longer period of 7 years. His selfless career full of actions speaks for itself.

First IAS Officer in the country to declare voluntarily his personal assets and bank balance and placed details openly in the public domain.

His slogan: **லஞ்சம் தவிர்த்து - நெஞ்சம் நிமிர்த்து** in Tamil (Avoid Bribe - Hold Your Head High) is hugely popular among Tamil youth.

He sought VRS in 2020 being unable to continue and deliver goods to the common man in a corrupt Government set-up.

Currently, he is engaged in a lot of social initiatives to support the poor and he is guiding and training the youth in achieving their personal and social goals.

As Legal Commissioner in 2015, he exposed Asia's largest granite scam, valued at over ₹1 lakh crore.

Having completed M.A (Social Work) in Loyalo College and Bachelor of Law in Madras Law College, he cleared both the Civil Services Examinations of UPSC and Group-1 Examination of TNPSC. He joined initially Central Secretariat Service, New Delhi. Thereafter, he resigned the said posting and joined as a Deputy Collector in Tamil Nadu Civil Service. He started his career in Tamil Nadu Civil Service in 1991. He was transferred 22 times in 23 years.

The important Posts he held:

- Secretary, State Election Commission, Tamil Nadu.
- The District Collector, Namakkal.
- The District Collector, Madurai.
- Legal Commissioner, Granite mining probe.
- Managing Director, Co-optex.
- Vice Chairman, Science City.

Because of his upright character and fearless administration, he has become an inspiration for many young people, especially civil service aspirants, who see him as a role model of integrity in public life. His career demonstrates that honest leadership and commitment to justice can bring positive change in society.

Mr. U. Sagayam IAS is admired as a courageous administrator, an anti-corruption advocate, and a symbol of ethical governance in India

B. Village Adoption through Revamped Rashtriya Gram Swaraj Abhiyan (RRGSA) / Bosco Outreach and Rural Development Initiatives

The Bosco Outreach Programme of Don Bosco College (Co-Ed), Yelagiri Hills is a community engagement initiative aimed at promoting sustainable rural development. Under the Revamped Rashtriya Gram Swaraj Abhiyan (RRGSA), the college adopted **Seven (7) village panchayats—Chinnakamiyampattu, Periya Mottur, Yelagiri Village, Mandalavadi, Ponneri, Reddiyur, and Periyakamiyampattu**—to provide support in preparing the Village Panchayat Development Plan (VPDP) and strengthening grassroots governance. Through this programme, faculty members and students collaborated with panchayat leaders and local communities to understand socio-economic conditions, identify developmental challenges, and promote awareness aligned with the Sustainable Development Goals (SDGs) and Local Sustainable Development Goals (LSDGs).

As part of the programme, **several activities were conducted**, including **orientation programmes** on Panchayat Planning Campaign (PPC), Participatory Rural Appraisal (PRA), and baseline surveys, participation in Gram Sabha meetings, field visits to the adopted panchayats, village surveys, and community awareness programmes. Environmental initiatives such as palm seed plantation were carried out to promote sustainability. In addition, the college extended support to the **Election Department by assisting with the Special Intensive Revision (SIR)** of the electoral roll in Reddiyur and Yelagiri Hills panchayats.

The programme provided valuable practical exposure for students to rural governance and community development processes. It also created awareness among villagers about health, sanitation, environmental protection, and government welfare schemes. The surveys and interactions conducted in the villages contributed to the preparation of Village Panchayat Development Plans (VPDP).
